

Best Score Nassau Final Results

9/14/2018

The final results for the Best Score Nassau tournament are in. The scoring committee met this morning (9/14/2018) to give the results a final review (I was traveling so it couldn't have been done any sooner). The results are posted below. All results are scored using the Tournament Manager system and using the USGA tie break procedure in case of ties.

Winners are for Lowest Gross by Flight, Lowest Net by Flight, Front 9 Net by flight and Back 9 Net by Flight. Winners can only win one of the 4 segments so no double winners were awarded. In the case of a possible double winner, the next lowest score with the USGA tiebreaker was declared the winner of that segment.

Gross Total by Flight

<u>Flight</u>	<u>Name</u>	<u>Score</u>	<u>Name</u>	<u>Score</u>
